live remarkably.

At **Georgian Communities**, we are deeply committed to our community. We strive to create lasting positive change by supporting local causes and remain dedicated to making a difference in the lives of those around us. Giving back is a fundamental part of our identity, it is one of our strengths and reflects our values. Our employees enthusiastically volunteer their time and skills, giving back to the communities where they live and work.

## WELCOME FROM THE BSHOF CHAIR

It would be an easy task to tell you all about our recent growth and our relationship with the City and its sponsors but I won't. This is a special milestone – our 40th anniversary! We wouldn't be here unless we recognize my predecessors, those volunteers who took the time to recognize that Barrie has a sporting heritage worth celebrating. From its start in 1985, many members of our community have given of their time to turn the Sports Hall into the organization it is today. The Barrie Sports Hall of Fame has a future in celebrating its past.

To past chairs, board members, members at large, sporting organizations, service clubs, and sponsors over the past 40 years, thank you for your dedication and support. Regrettably many of them have passed on, but they are not forgotten. One doesn't get to be the 40 year chair, without some community-oriented "parents".

Sport has grown immensely over the past 40 years. It's big business, yet at its basic level it just people having fun and playing. Traditional sports such as hockey, baseball, football, track and field, boxing ruled the day in 1985. Sport is now diverse and inclusive; boundaries are being challenged – imagine flag football as an Olympic sport, and a professional women's hockey league. As Sport evolves so must the Sports Hall. Past terms of reference such as residency, amateur or professional status, and sports that don't presently meet the federal or provincial sport funding guidelines may do so in the future.

Our work is on-going, and ever evolving – please consider joining us!

Inductees, award winners and honoured guests – whether you represent the past, present, or the future – we celebrate you tonight!

*Tom Ewles*

## OUR HISTORY

The Barrie Sports Hall of Fame grew from small beginnings as a self-appointed “steering committee” in the summer of 1984. Since then, it has grown into a volunteer organization which helps to perpetuate the names and deeds not only of Barrie’s great athletes, but also of those selfless individuals who have worked to create an environment in which such athletes could and can excel.

The diligent work of the steering committee culminated in the Society's charter meeting on January 30, 1985 at which time the society's constitution was adopted. The Barrie Sports Hall of Fame Society became an official entity.

The City of Barrie graciously consented to allow the Allandale Recreation Centre to become the home of the Barrie Sports Hall of Fame. It is here that portraits celebrating the great men and women from Barrie's sporting history, both past and present, have been displayed for over twenty years. Just this year, the BSHoF expanded our footprint by adding display cases at Peggy Hill Team and East Bayfield Community Centres.

In 2023, the BSHoF unveiled its new logo and brand identity which ushered in a new era at the hall. The new identity also included the motto "Honour the Past. Celebrate the Present. Inspire the Future." It was followed with a brand new website as well as the introduction of social media, with Facebook and Instagram pages launched.

**Society executive:** The Barrie Sports Hall of Fame Society held its charter meeting on January 30 at the Allandale Recreation Centre to adopt a constitution and elect an executive. Seated at table, from left: Sam Cancilla, vice president; Archie Marshall, chairman; Jean McConn, director. Standing, from left: Don Lowe, director; Bobi Grant, secretary; Will Law, director; Terry Paddison, director; Hugh Stuart, publicity; Gus Eves, Bob Young, director; Dorian Parker, director; Harry Partridge, displays; Steve Hines, director.

## WELCOME FROM THE DINNER CHAIR

Good evening and welcome to this exciting night of “Celebrating Barrie’s Sports Heroes” and the Barrie Sport Hall’s 40th Anniversary

As an inductee and past chair of the BSHOF, this is truly a highlight of my involvement with the Hall. It's a cumulation of 3 years of planning and execution with the support of our corporate sponsors, banner sponsors, volunteers, and the City of Barrie.

On May 5th, we kicked off our celebration with the downtown banner program highlighting our inductees. We also expanded our presence by adding display cases at Peggy Hill Team and East Bayfield Community Centres. Outdoor signage was added to our home at Allandale Recreation Centre, and we also received grant money from the City to help with our operational costs going forth.

Tonight, we welcome with open arms our new members to the Hall, along with acknowledging our award winners for their sporting achievements.

It's a wonderful evening especially with the help of Ken Carson, Stephanie Sherlock, Alex Massie, Dan Marouelli, Ron Hoggarth, and Jack Lynch – all past inductees of our Hall of Fame.

Enjoy and thanks to everyone for sharing this exciting evening with us!

## NEW SATELLITE LOCATIONS

In an effort to give the Hall more visibility and to reach more people Tim Sample and Tom Ewles presented to the City the need to display our artifacts and paintings in some of the other community centres.

Council and the Recreation and Culture department were in full agreement that we could have display cabinets and paintings at both Peggy Hill Team and East Bayfield Community Centres. To this end, Councillors Sergio Morales, Gary Harvey, Ann Marie Kungl and Jim Harris jumped on board without hesitation to provide monies to purchase cabinets, signage, and repair and resize our inductee portraits. We are presently in the midst of implementing these displays with the help of Alison Jacks, Dave Beauchesne and Bill Bertram.

HONOUR. CELEBRATE. INSPIRE.  
*the past the present the future*

## THE HALL NEEDS A NEW HOME

With the Barrie Sports Hall of Fame location inside of Allandale Recreation Centre running out of space, **a New Site Committee was formed under Chair Tim Sample. Members include Dave Mills, Jamie Massie, Ron Hoggarth, Dave McCullough, Tomas Sample, Chris Van Niekerk, Scott Wilson, Richard Kelly, Councillor Sergio Morales, and Kevin Datema, Director of Recreation and Culture.**

The Committee reviewed all major facilities in Barrie, and had narrowed it down to 3 possible new locations – the Sadlon Centre and Allandale – which would both require renovations – and the new south end community complex. The need for the Hall is 5000 square feet in order to house the present paintings and the artifacts that have been stored over the years of the Hall's existence. With the addition of Bill Bertram's donation of his Barrie artifacts, the growing City, and the number of individuals participating at a high level of sport, the Hall needs to expand to preserve the history, culture, and art of our City.

To this end the City Council has approved our hall to be located at the new Community Complex being built in the south end of Barrie. We are presently working with City Staff to design and implement our requirements and are using the Oshawa Sports Hall of Fame as a blueprint.

*Thank You to our City Council for Your Support*

*In particular, Mayor Alex Nuttall  
and Councillors Jim Harris,  
Gary Harvey, Ann Marie Kungal,  
and Sergio Morales - for your  
Community Improvement Funding  
-and Kevin Datema, Director of  
Recreation and Culture.*

## DO YOU REMEMBER GARNER SPORTS?

In 1931, Bill Garner launched Garner Menswear. It later became Garner Menswear and Sports, and then Garner Sports, continuing through two more generations, to Jack and then John.

For those that grew up in Barrie, Garner's was the only place for sports equipment in town. If you needed hockey, football, baseball, or other sports or even your school jackets they were there to help. John knew his equipment cold and never tried to sell you anything you didn't need or couldn't afford, and Jack was always around to give a helping hand.

Everything from skate sharpening to baseball gloves, bats or hockey sticks they had it. They stood behind everything and if there was a problem they would replace it or give your money back. Garner Sports was a true family business and was truly an iconic Barrie fixture.

THANK YOU TO OUR FANS, VOLUNTEERS,  
SPONSORS AND FRIENDS!

"The presence of Jessie Eldridge and others from the PWHL at this year's Barn Burner was instrumental in helping us raise a record-breaking \$605,000 for local charities. Congratulations to all of the Barrie Sports Hall of Fame inductees, with special recognition to our hometown star. Jessie inspires fans and young female athletes alike with her talent, leadership, and heart, and we're proud to celebrate her impact on and off the ice."
